Professional Experience

MBCU Ambassador/Clerk

Queen of the Valley, West Covina, CA | 2023-Present

- Conduct 10-15 daily birth interviews and prepare permanent birth record documentation with a high level of accuracy.
- Verify, scan, and submit birth records and supporting documents in compliance with hospital procedures and privacy standards.
- Handle sensitive cases involving surrogacy, court orders, and legal judgments related to birth records.
- Explain required forms, signature pages, and documentation requirements clearly to families.
- Follow up with families by phone and email to obtain missing information and schedule return visits when needed to complete records.
- Maintain daily patient logs and track documentation status to support timely submission and workflow accuracy.
- Manage confidential patient records under HIPAA and resolve missing or incomplete information before submission.
- Work independently with minimal supervision while meeting deadlines for interviews, records processing, and submissions.

Archiving Clerk

Iron Mountain Media and Archival Services, Los Angeles, CA | 2023-2024

- Managed confidential records and document handling under strict privacy requirements, including NDA protected materials.
- Used Excel, databases, barcoding, scanning, tracking, and retrieval systems to organize and maintain records accurately.
- Digitized records for secure storage, retrieval, and destruction processes.
- Reviewed files for completeness and accuracy before archiving and transfer.
- Supported administrative operations through data entry, records management, and document organization.
